I am satisfied that the present  
offer represents the best deal  
available. Unlike the prior  
offers, this one is from the  
Purchaser has provided a  
bank deposit.

The approval and vesting order shall give  
→ our further advice that  
the terms and identity of the purchaser  
and purchaser and related circumstances  
should be kept confidential until closing, but this does  
not close for some unexpected  
reason, which would prejudice  
future recovery efforts. Since  
this text is not Confidential  
Supplement to the R's Fourth Report shall be sealed.  
The collateral orders shall also  
issue in the form signed by me  
this day:

A large, stylized handwritten signature, possibly reading "R. J.", is written in dark ink.
