## **Instructions to Creditors**

### **General**

Creditors are required to file their claims with the Trustee prior to the time appointed for the meeting of creditors in order to be eligible to vote.

The proper name of the claimant and its complete address, to which all notices or correspondence are to be forwarded, must be shown.

The proof of claim form must be completed by a person, not by a corporation. The person completing the proof of claim form on behalf of a corporation shall indicate his official capacity, such as "Credit Manager", "Secretary", "Authorized Agent", etc.

All sections of the proof of claim must be completed. Any non-applicable wording should be crossed out.

The signature of the creditor or declarant on the claim must be witnessed.

### **Paragraph 3**

Insert the total amount owed and attach supporting documentation which agrees to the amount owed. The supporting documentation can be in the form of an invoice or a detailed statement of account which shows the date, the number and the amount of all the invoices or charges, together with the date, the number and the amount of all credits or payment. A statement of account is not complete if it begins with an amount brought forward.

### **Paragraph 4**

Complete the subsection(s) that applies depending on the nature of your claim. Strike out those subsections which do not apply. For example, trade creditors complete subsection A and secured creditors complete subsection C. In subsection A, the total amount of your unsecured claim is inserted in the first space, and the portions claimed as priority versus no priority are split out in the following two spaces. The priority under section 136 of the Act referred to in subsection A may include the claims of employees of the bankrupt for wage arrears, commissions or expenses; a landlord for rent arrears and acceleration rent, if included in the lease; municipalities, if their claims are not a charge against title; and departments of federal and provincial governments.

All Secured Creditors must attach to their proofs of claim, a certified true copy of their security documents and details of registration.

### **Paragraph 5**

All claimants must indicate whether or not they are related to the debtor, as defined by The Bankruptcy & Insolvency Act, by striking out "AM" or "AM NOT" and "HAVE" or "HAVE NOT".

### **Paragraph 6**

All claimants must attach a detailed list of all payments or credits received or granted, as follows:

- a) within the three (3) months preceding the bankruptcy or the proposal, in the case where the claimant and the debtor are not related.
- b) within the twelve (12) months preceding the bankruptcy or proposal, in the case where the claimant and the debtor are related.

### **Note**

Section 201(1) of The Bankruptcy & Insolvency Act states: "Where a creditor, or a person claiming to be a creditor, in any proceedings under this Act, willfully and with intent to defraud makes any false claim or any proof, declaration or statement of account that is untrue in any material particular, the creditor or person is guilty of an offence punishable on summary conviction and is liable to a fine not exceeding five thousand dollars, or to imprisonment for a term not exceeding one year, or to both."

Please return your completed proof of claim form to:
