We may combine certain automatically-collected information with other information we obtain about you, which may include data we obtain from external parties. You can set your browser to refuse cookies from the Website, but if you do so, you may not be able to access or use portions of the Website, or certain offerings on the Website may not function as intended or as well.

Our Website may use Google Analytics and other comparable technology. Google uses cookies to analyze how you use our Website. The information collected by the cookies is sent to a Google server in the United States and stored there. Google will use this information to evaluate your use of our Website. Additionally, Google may transfer this information to a third party when required by law or in accordance with their terms. By using our Website, you consent to the collection, use, and disclosure of your Personal Information by Google in the manner described. You can withdraw your consent at any time by following the instructions found on this page: https://tools.google.com/dlpage/gaoptout?hl=en.

For information on Personal Information processed by tracking technologies (e.g., cookies) on the Website, see our [Cookie Policy](#).

4. **INTEREST BASED ADVERTISING**

We (and our service providers) may use the information we collect, for instance, IP addresses and unique mobile device identifiers, to locate or try to locate the same unique users across multiple browsers or devices (such as smartphones, tablets, or computers), or work with providers that do this, in order to better tailor content and features and provide you with a seamless experience across devices. If you wish to opt out of cross device tracking for purposes of interest-based advertising, you may do so through your device settings.

We may tailor ads to your interest based on your browsing of our Website and elsewhere on the internet, which may include sending you an ad on a third-party service (such as the Facebook app.) after you have left the Website using re-targeting technologies. This type of advertising is often called “interest-based” or “personalized” advertising—and when it occurs on mobile apps, “cross-app” advertising (collectively, “Interest-Based Advertising”).

You can reject or disable Interest-Based Advertising, tailored ads, or re-targeted ads by managing your browser settings or the Facebook app settings. However, please note that if you disable cookies and/or meta pixels, you may be unable to access some customized features on the Website.

To disable the use of Interest-Based Advertising, log in to the Facebook site on your browser and go to “Ad Settings” under the “Settings” tab. If you are using the Facebook app on your mobile device, you can go to “Ad Settings” by clicking on the “Setting & Privacy” tab, then selecting “Settings”, “Ad”, and “Ad Preferences”.

To opt out of Google Analytics for display advertising or customize Google display network ads, you can visit the [Google Ads Settings page](#). You can learn more about Interest-Based Advertising and how to opt-out of receiving tailored advertising by visiting (i) the Network Advertising Initiative’s Consumer [Opt-Out link](#); or (ii) the Digital Advertising Alliance’s Consumer [Opt-Out link](#).
Please note that even if you opt-out, you may still receive advertisements from us. However, the advertising will not be tailored to your interests. Also, we do not control any of the above opt-out links or whether any particular company chooses to participate in these opt-out programs.
